Product Information

100 Watt Portable Flood Lamp Kit

Developed in conjunction with major Police Forces the 'SL-50' and 'SL-501' combination provides a powerful Handheld White Halogen Floodlight Kit for personal use. Ideal for SOC, Photography, Search, Accident Investigation and other situations.

- ◆ 'SL-501' Lightweight Battery Pack.
- ◆ 'SL-50' 100 Watt Hand Held Flood Lamp.
- ◆ 100 Watt Halogen Long Life Bulb.
- ◆ Military Style Connectors.
- ◆ Full range of Charging Accessories.

The 'SL-50' contains a powerful 12 volt 100 watt halogen bulb housed in a diffused reflector handheld unit that is lightweight and capable of floodlighting a large room for investigation, photography, emergency rescue situations or other sites where larger floodlighting equipment would be difficult to locate.

A Deep Cycle 12 volt 7.2 Ah Gel Lead Acid Battery is the power source for the 'SL-50'. Housed in a tough canvas case, the Battery Pack is carried via a shoulder strap. The connection between the 'SL-50' and

'SL-501' is made via screw locking military style connectors. Additional Battery Packs are available.

'SL-503' Mains Charger is available for use with the Kit.
