Product Information

The Brilliant 'ULTIMO' MK11 100W Search Lamp

The Brilliant '**Ultimo**' model **WK-100** is designed for long range illumination by supplying a blinding white light from a 100 Watt (2,800 lumens) halogen light source. The lamp is a development of the '**White Knight**' '**Expert**' range of handlamps, which have been in use by "blue light" and Search and Rescue Services since 1975. '**Ultimo**' provides amazing long-range power and is an effective tool for use during civil disturbances and for ambush lighting. With a weight of only 1.80 Kgs, it is one of the lightest of its type. The 12-Volt Nickel Metal Hydride battery provides approx 35 minutes of continuous light. '**Ultimo**' can be charged using the 230 Volt chargers WKC-21 for the UK and WKC-22 for the Euro plug version. Environmental Rating is IP55.
