

# White Knight®

## Model Expert WK-5 Trio Egg Candling Kit

Save unproductive time incubating infertile eggs with the White Knight WK-5 Trio Candling Kit. This portable rechargeable solution is effective in illuminating eggs for infertility or disease detection and is simplicity itself to set up. It has been in use by DEFRA Inspectors for many years and has proven to be an unqualified success. The kit is supplied with mains and vehicle chargers, egg carrier and shoulder strap. When not being used for egg candling, the White Knight WK-5 Trio may be used as a powerful 20 watt handlamp.
